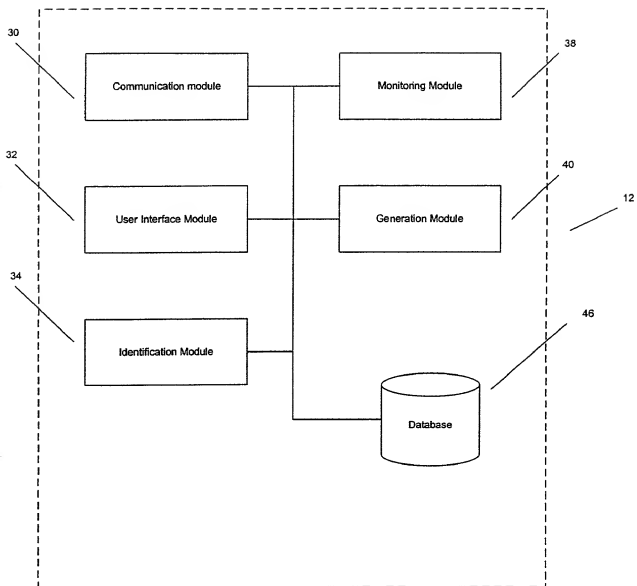

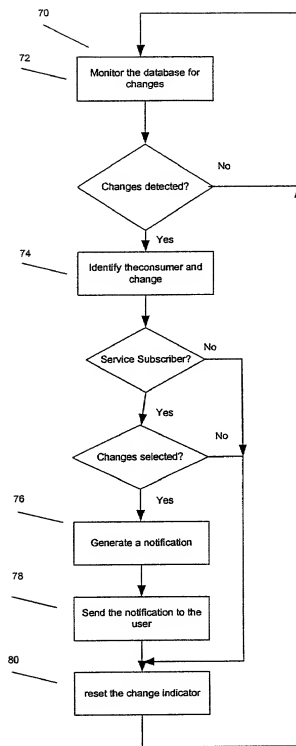

Fig. 2

```
graph TD; 50([Start]) --> 52[User logs in]; 52 --> 54[Identify the user]; 54 --> 56[Displaying monitoring options]; 56 --> 58[User makes a selection of monitoring options]; 58 --> 60[User selects a method of communication]; 60 --> 62[Save user's selections]; 62 --> End([End]);
```

The flowchart illustrates the process of user login and selection. It begins with a 'Start' terminal (50), followed by 'User logs in' (52), 'Identify the user' (54), 'Displaying monitoring options' (56), 'User makes a selection of monitoring options' (58), 'User selects a method of communication' (60), 'Save user's selections' (62), and finally ends at an 'End' terminal.
